

- 1) There will be 10 category rounds of 10 questions each, for a possible score of 100 points.
- 2) Teams receive one point for each correct answer. No “extra credit” or “half points” will be awarded. Each question only has one answer unless specified otherwise. There are no “trick questions”.
- 3) The use of cell phones, tablets or any other media device is prohibited. Please do not leave phones on your table. (Please leave the room if you must use your phone.)
- 4) Please write legibly. Unreadable answers will be marked wrong, however spelling does not count.
- 5) The questions will be read twice, with 30 seconds between each question. Questions will not be repeated beyond that. Please listen carefully!
- 6) At the end of each round, you will have two minutes to turn in your team’s answer sheet. An answer sheet not submitted within the allotted time will receive no score for that round.
- 7) *Mulligans* - Each table may purchase mulligans, which are free answers. Only one mulligan can be used per round.
- 8) *Tiebreaker* - In the event of a tie at the end of round ten, the tied teams will be asked a tie breaker question with a numerical answer. The team that comes closest to the correct answer without going over will be announced as the winner.
- 9) Team totals will be posted and/or announced throughout the evening. If you have any questions about your score, alert a scorer immediately.
- 10) The decisions of the judge and organizers are final. However, if you would like to challenge an answer, a \$100 donation will be required.

***Good luck and have fun!***
